KOSHERICA ALASKA 2027

Experience Alaska with Kosherica

Alaska continues to be one of our most spectacular and popular cruise destinations, and for good reason.

There is truly nothing like sailing through Alaska surrounded by glaciers, mountains, waterfalls and wildlife, all while enjoying the complete Kosherica experience aboard the Norwegian Jade.

This year we have intentionally chosen to sail Alaska earlier in the summer, when weather is generally more stable and before the late-summer glacier-melt period that has caused flooding and missed ports in recent seasons.

Think glaciers, mountains, wildlife, waterfalls and some of the most dramatic scenery anywhere in the world.
