The most magical counselors we can find, with **Naomi Gardin**, who brings years of camp experience from Moshava and a passion for working with kids and teens.

Teen Program

Connections and friends for life on Pesach.

Infant Care

Infant care programs.

The best reason to go away to a Passover program is the day camp! Kosherica spends over eight months interviewing the most magical counselors we can find. Our goal is to have all the kids fall in love with camp and beg their parents to spend the entire day with their amazing counselors. Teens also have a great time as they make connections and friends for life on Pesach.
